Could you help to fund Trinity's food bill for an entire year??

We are looking for volunteers to help raise enough money in just one day to keep Trinity's food cupboards stocked for one year.

How?

Bail Me Out

A unique fundraising event where volunteer prisoners are "arrested", and only allowed to be released once they have raised enough "bail" money.

Volunteer Special Constables from Hampshire Constabulary are helping with the event, and will arrest prisoners first thing in the morning. Taken to a secure location in central Winchester, they will then have the rest of the day to raise bail money.

Bail is set at £1,000, and this can be raised in a number of ways. Perhaps by simply asking friends, family or colleagues. Maybe your company will pay up to get you back in the office. Could you sell 1,000 £1 cakes in one day? Money can be raised in advance of the date, but we ask all participants to join us for the "arrests" and photographs.

When?

World Homeless Day – 10th October 2017

World Homeless Day is a global movement raising awareness of the realities of homelessness, and celebrate the work done by charities to help. On this day, across hundreds of countries, events will be hosted with the goal of helping homeless people. **This is an opportunity to be part of something bigger!**

Why?

Trinity Winchester needs to raise almost £500,000 every year to continue providing services to over 600 homeless and vulnerable people. With enough participants, we are hoping that Bail Me Out will raise £9,000 to put back into the vital services on offer. For one day out, you could make a huge difference to many people's lives.

The event will be covered by local press, and you can publicise your work and your business through this positive PR, supporting your CSR objectives.
