WHY ARE WE FUNDRAISING?

The number of people who are homeless is on the rise, not just in terms of people sleeping on the streets but the 'hidden homeless' staying in hostels, sofa surfing or in unsuitable, temporary accommodation.

Trinity Winchester exists to support people out of homelessness, and you can help too!

Trinity's Firewalk

The daredevil in you has signed up to face your fears and walk a short distance, 15ft to be exact, across hot coals. It may sound tough but it's perfectly safe. Some say it feels like heat through your soles, others say it's freezing cold - whichever one it is, it certainly won't be a feeling you'll forget.

On the day

As a Firewalker you will receive full training an hour before the Firewalk from Scott Bell, who has twice held the Guinness World Record for the 'Greatest Fire Walking Distance' by walking 328 feet on burning coals. Scott will explain the history of firewalking and the technique behind it and build your confidence to complete the challenge.

Schedule

Fire walkers to arrive at Trinity Winchester: **6pm**

Training seminar at: **6.30pm**

Firewalk at: **8pm**

Sponsorship

As well as the challenge of walking over coals, we've asked you to raise a minimum of £100 for Trinity. Setting up a fundraising page with JustGiving takes a few moments of your time or we can provide you with a sponsorship form. Every penny raised goes back into providing vital support for homeless and vulnerable people
