# What's Going On?

## 18:00—Event Opens!

Head to the Inner Close of Winchester Cathedral anytime from 6pm on Friday 5th May.

Look out for our welcome team under the buttresses, and make sure you sign in and collect your event hat. From here, the evening is yours, and we have a range of activities for you to get involved in.

## 18:00—20:00—BIG Celebration Event

Trinity is 30 this year, and we are taking the evening to recognise all that we've done over the last three decades. Enjoy the live music on stage, have some dinner from the local caterers, or take a stroll inside Winchester Cathedral, where we will be displaying a timeline of our history. All are welcome to join in the evening, so please bring friends and family along too.

● Please join us at the main stage to hear a little more about what it's like to *actually* sleep rough.

## ● Cardboard Castle Winners!

Who has created the most creative cardboard castle in the close? The Mayor of Winchester will be announcing the winner.

## 22:00—Lights Out.

This is it. Will you be able to sleep in the cold, on the hard floor, with just your sleeping bag and some cardboard?

## 06:00—Morning!

The sun is up and so are you. How do you feel after one night out? Please help us to pack the cardboard away before heading off to the warmth and safety of your home.

## Trinity Winchester's 30th Anniversary BIG Celebration

From 6pm—10pm, the Inner Close and Winchester Cathedral will be open to the public. Encourage people to come down with you for the evening and join in the entertainment, enjoy the live music and have some dinner from local caterers.

The celebration will bring the community together for a wonderful cause, and we would love to see as many people there as possible. If you're sleeping out, this is a great way to begin the long night ahead. If you are unable to sleep out, you can still join in, support Trinity, and be part of the Big Sleep Out 2017.

Thank you for joining us to take on this challenge. All money raised will help homeless people in Winchester.

We Hope You Have a Great Night!

If you have any questions, comments or ideas in the meantime, please do not hesitate to get in touch—we'd love to hear how you are preparing!
