

What's Going On?

What to expect from the Big Sleep Out and the BIG Celebration Evening

18:00

EVENT OPEN. Join us in the Inner Close of the Cathedral for a range of live music, street entertainment and hot food. Check out inside the Cathedral too for a range of displays from local charities and community groups.

18:00—20:00

If you're sleeping out, make sure to **say hello to our welcome team** under the Cathedral buttresses. Pick up your event wristband and hat. We recommend arriving before 20:00 to make the most of the evening.

Bring your own cardboard, or take a few boxes from our supply and build yourself something to sleep in for the night.

20:00

Come on over to the stage to find out more about where all your money raised is going, and hear directly from people who have accessed Trinity's services.

20:30—21:45

Music and More! Enjoy live performances from local bands Call Me Al, Sasha Lauren Band and The Mighty Hump. Grab yourself a hot meal to get through the night, and make yourself comfy in your cardboard shelter.

21:45

Sleepers Only! If you're not sleeping out, please make your way out of the Inner Close. We will be checking wristbands at 22.00.

22:00—06:00

Sleep Out Time! Can you sleep?

06:00

Look out for our team giving out **free breakfast rolls!** We would be grateful if you can help clear up the site before heading off to a warm shower, bed and your home.

This event does not intend to be an experience of being homeless. We cannot begin to understand the realities of sleeping outside night after night without any other choice. The Big Sleep Out is a fun way to raise money, and provide an eye opening experience too.
